

## YEARBOOK & EVENT STAFF APPLICATION (*Enrichment Club*)

Come join the 2010-11 Madrona Yearbook Staff and be the record-keepers of our year. **Yearbook/photography** is now being offered as a club, rather than an elective class. Students participating in the club will be Madrona yearbook staff members, including photographers, design & copy editors and business managers. Although no photography, computer or graphic design experience is need, staff members should be *enthusiastic*, *motivated* and *responsible* for meeting deadlines.

Selected staff members will meet Monday, Wednesdays and most Fridays from September 15 – mid December. A winter and spring session will be offered (yearbook deadline is the end of March), with preference given to students who have enrolled in prior session offerings.

Explain why you want to be part of the 2010-11 yearbook staff? \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

Describe how you might be an asset to the yearbook staff: \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

What, if any specific ideas do you have for this year's book? \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

**Teacher section:** staff photographers cover events during the school day both in and out of their regularly assigned classes. (Yearbook staff members are also needed to cover various after-school events such as sports, instrumental music, math & book fair, Bear Scare, etc.) Students are expected to get pre-approval when missing class to cover events, AND be responsible for all work missed.

Based on the evidence you have of this student's academic performance, effort and responsibility level, please make a recommendation about this student's placement in a yearbook club that requires enthusiasm, motivation and responsibility.

4 = **highly** recommended!!  
 3 = recommend  
 2 = possible recommendation,  
 but with reservations  
 1 = impact on missed class time  
 would be too significant for this  
 student

	Teacher	Recommendation Level
1. _____		4 3 2 1
2. _____		4 3 2 1

**OVER!**

Out of class projects will include taking photographs for purpose- including specific subjects, compositions or shot techniques. We'll do this for peer review AND to gather copious amounts of photos for the yearbook.

Staff members are encouraged to work on their assigned yearbook pages outside of class (online access via computer) as the deadline to the yearbook approaches at the beginning of April. This is more applicable for the winter enrichment course than the fall club session.

### MAKING A COMMITMENT

By completing this application I understand that I am making a commitment not only to the yearbook staff, but to the entire student body. I am the record keeper of the year and promise to use good judgment when using equipment and making photo selections for inclusion in the yearbook.

Equipment will be provided for my use, and available for checkout to take home. Students are encouraged to use their own cameras in addition to school provided equipment, and when doing so, take the best possible care of all camera/production equipment. **Occasional photo and video shoots may require additional work outside the class meeting times.** I will be responsible for learning academic skills as well as applying them to the production of the yearbook. Although this a club and not a graded course, evaluation of your work will be in our final product... the 2010-11 Madrona Yearbook! Come join the staff!
